

Pause for Parkinson's Afternoon Tea

Neurological Rehabilitation Group and Shake It Up Australia Foundation invite you, your friends and family for afternoon tea on World Parkinson's Day.

Monday 11th April at 2pm

Level 3, Suite 8, 205-211 Forster Rd, Mt Waverley 3149

Come and have a look around our Mt Waverley practice, share experiences with other Parkinson's patients and speak to our Neurological Physiotherapists about our Parkinson's Exercise classes and 1 on 1 consultations.

Please bring your wallets as there will be various **auctions, door prizes and raffles** to enter. All monies raised will go to the Shake it Up Foundation.

Please RSVP by Monday 4th April 2016 to Ph: 9803 7755

Level 3, Suite 8, 205-211 Forster Rd
Mt Waverley 3149
Ph: 9803 7755 Fax: 9803 7766

The Neurological Rehabilitation Group, into our 30th year, is Melbourne's longest running private Neurological Physiotherapy Practice.

Our team specialises in the treatment of Neurological conditions including Parkinson's disease.

At Neurological Rehabilitation Group it is important to us that our patients feel listened to and feel safe and supported in professional hands.

Shake It Up Australia Foundation is a not-for-profit organisation established in 2011 to promote and fund Parkinson's disease research in Australia.

The foundation was established by Clyde Campbell, a father of three and business owner who was diagnosed with Parkinson's disease in 2009 at the age of 44.

Clyde realised that funding Parkinson's research in partnership with MJFF was the best thing that he could do to help himself, his family and the 70,000 other Australians living with the disease. With that clear in his mind Clyde founded Shake It Up Australia Foundation to give other Australians the opportunity to join his quest.
